Session 25:

SUPERVISING COMMUNITY MOSQUITO COLLECTORS
By the end of this session, you will be able to:

• Describe the characteristics of a good supervisors
• Explain good practices in leadership
• Define harassment
• Describe how to respond to harassment
Good Practices in Leadership

- Articulate your expectations
- Lead by example
- Give credit to your employees
- Be available and provide support
- Hold Community Mosquito Collectors accountable
- Be gender aware
A Community Mosquito Collector enters a house to collect mosquitoes. The member of household is polite. The Mosquito Collector is attracted to her and begins to flirt. He ends up making some inappropriate remarks. You have learned of this situation and know you need to respond. How do you respond?
